Summary: On the year anniversary of Tadano's tragic and unexpected death, Komi decides to text his number to tell him how her life has been.

***Chapter 1*: anniversary**

Komi

It's been a year today. The seat next to me in class is still empty. I miss you. I wear your flower in my hair everyday. I wear your school jacket. It doesn't smell like you anymore. I've been trying to speak but it feels like my throat is closing. I need you back. Everyone asks me how I'm doing. I can't answer them, but I'll try for you, Tadano.

I feel trapped without you.

***Chapter 2*: dress**

Komi

I couldn't make it to school today. I woke up to a notification that made me miss you even more. It was a memory of when we went shopping. The dress you chose for me is still in my closet. I wore it to your funeral. It hurts to wear it now, so I keep it away. I can't bear to think about it anymore. I'm going to try to sleep. Goodnight, Tadano.

***Chapter 3*: coffee**

Komi

Today I ordered coffee for Najimi. She told me the long order and I wrote it down. When I got to the cafe, I had the list and read it to the barista. I read it to him. With my voice! I was shaking and the note was crumbling in my hand but I knew you'd be proud of me. I know you were smiling somewhere, Tadano.

***Chapter 4*: dream**

Komi

You were in my dream last night. It was almost a recreation of our first kiss, but your flower wasn't there. I asked you where it went, and you ran your fingers through my hair. It was in mine. I smiled, and you kissed me. I woke up crying, your flower on my pillow next to me. It had fallen off when I was sleeping. It's almost as if you were next to me, Tadano.

***Chapter 5*: ghosts**

Komi

The school year is coming to an end. Everyday I feel like you're going to show up. When I get Najimi coffee, when I go to the pool, when I go to my locker. Maybe you'd be there. Maybe it was all a nightmare. But I know that isn't true. When does it get easier, Tadano?

***Chapter 6*: graduation**

Komi

It was the last day of school and they held a memorial for you. They gave your parents a cap and gown. It was sweet. Everyone went to the pool and I had fun. It was one of the best days I had in a while. I felt relaxed. Maybe I am finding peace, Tadano.

***Chapter 7*: stress**

Komi

I'm sorry it's been months since I've texted. I've been busy with University and friends. Najimi and I bought an apartment together near campus. It's been great, but now I'm stressed and work is piling up and I needed someone to vent to. I stared at your contact on my phone multiple times, but I told myself that it wouldn't help. I know you'd hold my hand and help me through this. I wish you could hear me, Tadano.
